

XWARN trailer at the Xenia Township Fire Department Open House. The trailer has several radios and workstations that support Xenia Police and Fire. XWARN recently replaced the steps as well as purchased a club-owned receiver that will stay with the trailer so that anyone with an appropriate tow vehicle can tow it. Just make sure to bring a big truck. The trailer is supposedly around 10,000lbs and nose heavy.

Wavelengths

Wavelengths is published monthly by the Xenia Weather Amateur Radio Net. Our meetings are currently held on the 2nd Monday of each month at **7:30 pm** at the Greene Memorial Hospital Auditorium. You can find additional information about our organization at www.xwarn.net. We welcome new and experienced Amateur operators and those interest in becoming an Amateur operator to attend our meetings.
