President's Message

Hello Happy Fall XWARN!

It is such a beautiful time of year. The leaves are changing colors. The weather is wonderful even with needing heat in the morning and air-conditioning in the afternoon along with several outfit changes.

Along with that comes many public service event opportunities. We are in the thick of them and having a great turnout with volunteers. Thank you to all of you for your time and great efforts. We will be discussing some XWARN trailer updates that desperately need done to keep it a viable solution for public service.

I encourage you all to be checking on and doing any repairs to your outside equipment now while it is still nice. Winter will be here before you know it!

73,
Elizabeth KE8FMJ

Officer Nominations

Below is an excerpt from NV8I, Bret's nomination committee results letter. The full letter will be available at the meeting and sent out via the reflector. A vote will be held at the November club meeting.

Dear Sir:

I am reporting on the results of the 2023 - 2024 Officer's Nominating Committee results.

Shortly after the September meeting, I reached out to the current officers and inquired if they would continue serving in their current positions. Each current officer responded they would continue in their current positions. Therefore, as chair of the committee, I will not be seeking any volunteers to assist me or will be holding any meetings.
