President's Message

Happy February, XWARN!

Wow, this year is moving fast already! There is under two months until our first big public service event - the Xenia Marathon. Contact N8ADO for more info on volunteering. Also, only three months left until Hamvention!! The committees are working hard to make it a great show and we are working hard on the t-shirts, as is our tradition. Also, please recall as part of your membership, you are required to work two shifts. That's all for now. Hope to see you at our meeting on Feb. 12th at 7PM at the Fairgrounds-OSU Extension. Have a great Valentine's Day!

73,
Elizabeth, KE8FMJ

Important Updates

Beginning in January 2024 our monthly meetings will move to 7:00pm as voted upon at the last meeting. To align with this our first Monday of the month net will also shift to 7:00pm.
