

# Wavelengths

## President's Message

Happy November XWARN!

The weather has taken a turn for a worse. Be sure to check on your antennas. Build ups of ice can really affect situations adversely - both RF safety as well as physical safety.

Only one event left for the year. Let's hope it warms up a bit for the Cross Country races!

This month we will vote in our 2026 officers. They will be the same as the 2025 officers as they all ran unopposed. Looking forward to another great year!

As this is a month of giving thanks, I wanted to say that I am grateful for every one of you and what we bring to our great hobby. Everyone enjoy this Thanksgiving with your family and friends.

73,  
Elizabeth, KE8FMJ AuxC
