

# Wavelengths

## President's Message

Happy March, XWARN!

Lots of things are beginning this month! Warmer weather and thunderstorms are starting up again. Are you prepared for a weather net? Skywarn holds classes every year, if not. Consider attending whether it is your first time or you go every year. The Statewide Tornado Drill is this month. We host the resource net for this drill on our very own repeater. Hope to hear you on the drill. In addition to weather, the first public service event in our area for the year is at the end of this month - the Xenia Marathon. Come on out and help! Daylight Saving time is upon us again. More time to operate the higher bands! Hope to see you at the meeting on March 9, 2026 at 7pm.

73,  
Elizabeth, KE8FMJ
